

Appendix H

2023 Site-Specific Data Items – Required by FCDS

<https://apps.naaccr.org/ssdi/list/>

Below is the short list of Site-Specific Data Items (SSDI) Required by FCDS for 2023.

FCDS requires only a small subset of the more than 150 SSDIs available to be reported as compared to the Commission on Cancer Requirements.

FCDS will accept and monitor data from these new data items for missing data and unknown values for any 'analytic' case reported.

SSDI data should be available for every 'analytic' case meeting AJCC Schema Criteria.

Please refer to the *Site Specific Data Items Manual* for more information and specific coding instructions for each item. <https://apps.naaccr.org/ssdi/list/>
