

Q&A Session for Using CINA Data in Cancer Surveillance Activities

7/8/2010

Q: So what is the one state that doesn't participate?

A: Nevada

Q: Does CINA + SEER + Stat include pediatric data?

A: Yes, it is only excluded from the online version.

Q: Can 5 year survival analysis be performed on CINA in SEER* Stat Data?

A: No.

Q: Do you have a consistent minimum data set that all registries collect?

A: The items required for Certification are also required for inclusion in CINA.

Q: When will CINA 2003-2007 mortality data be released or updated online?

A: Within the next two weeks.

Q: Can we get the .ppt files that are not included in our packets

A: yes.
