

NAACCR Webinar Recordings

Terms of Use Agreement

By taking possession of a video recording, in digital format, of a “webinar” session (henceforth known as the “media file”) previously hosted by North American Association of Central Cancer Registries, Inc. (“NAACCR”), the party receiving the media file (henceforth known as “Purchaser”) either by download, transfer, or by means of recordable media, is subject to the terms and conditions set forth in this agreement. Those terms and conditions are as follows:

- (1) The media file may only be distributed to employees within, or members of, the Purchaser’s organization or to employees within, or members of, entities that are required to submit information to the Purchaser’s organization as required by law (for example: hospitals that must submit data to a central registry).
- (2) Under no circumstances may Purchaser charge a fee for the distribution of the media file to any third party including, but not limited to, employees and/or members of Purchaser.
- (3) The distribution of the media file is limited to specific forms only; these forms are as follows:
 - a. Posting to an internal intranet that is accessible only by those described in (1).
 - b. By electronic mail sent only to persons described in (1).
 - c. Posting to a private, username and password protected FTP site, the username(s) and password(s) of which will only be distributed to persons described in (1).
 - d. Posting to a public website on a page that is username and password protected, the username(s) and password(s) of which will only be distributed to persons described in (1).
 - e. Transfer of recordable media (such as floppy disks or writable/re-writable CDs or DVDs) to persons described in (1).
- (4) The media file may **not** be distributed by other means; these include, but are not limited to:
 - a. Posting to an external website with no username and password protection.
 - b. Posting to a public (anonymous) FTP site.
 - c. Distribution on recordable media to persons other than those described in (1).
 - d. Transfer via electronic mail to persons other than those described in (1).

The media file is provided as-is. NAACCR makes no claims to the accuracy or relevancy of its content. NAACCR recommends that any entity posting a media file for distribution do so no longer than a period of two (2) years after the date of live presentation of the webinar due to the unpredictable nature of the relevancy of the media file's contents.

Any entity that redistributes the media file agrees to display the following text in an appropriate location such that it is readily viewable by any person(s) wishing to take possession of said media file:

“By taking possession of this media file, you agree to be bound by the NAACCR Webinar Recordings Terms of Use Agreement, which can be found on its website at http://www.naacccr.org/filesystem/pdf/Webinar_TOU.pdf.”

The media file and its contents are the sole intellectual property of NAACCR. Transfer of possession does not denote transfer of ownership.
