Providing cancer-site specific guidelines for text to be included in Abstracts

The National Cancer Registrars Association (NCRA) is also a source for tools and resources for registrars. NCRA's Education Committee created a series of "informational abstracts" for common cancers and a presentation entitled Using the Informational Abstracts in Your Registry that shows registrars how to use the informational abstracts as an abstracting resources. These are available as a set of cancer site-specific abstracts provide an outline to follow when determining what text to include.

The NCRA Informational Abstracts can be found at
