

Cases Reviewed but Not Reported - Not Reportable List

This is an example of a handwritten log of medical records that you would have reviewed but decided the cancer was N/R or Not Reportable for some reason. Please describe why you did not report a cancer on a casefinding list as Reason N/R. Most software vendors provide a mechanism to automatically capture and store this information. Keeping a list of NOT REPORTED CANCERS and WHY YOU DID NOT REPORT THEM will help with audits.
