

2016 Pat Strait Award Winners

Each year FCDS recognizes and presents the Jean Byers Award for Excellence in Cancer Registration to those facilities that have met or exceeded the national quality standards for timeliness and completeness in cancer reporting.

We recognize that the facilities that achieve this quality standard are staffed by outstanding professionals that made it possible for the facility to be recognized with this award.

The Pat Strait Award for Excellence in Cancer Abstracting recognizes those individuals that contributed to a facility winning the award by presenting a certificate to all abstractors that submitted cases for the winning facilities.

This certificate is a way for FCDS to show our gratitude and appreciation to those individuals that were responsible for helping a facility reach this exceptional quality standard.

Thank you for your continued support and dedication.
