In Live Interactive Meeting mode, in partnership with four different host locations throughout Florida, for CEIP Credit

&

Live Webinar Subscription gifted to 110 Florida Registrars!

FCDS appreciates the Florida Registrars' ongoing support and is pleased to offer another year of the Monthly NAACCR Cancer Surveillance Webinar Series free of charge. Each webinar provides 3 NCRA Continuing Education credits; most sessions qualify for Category A credits. This amounts to a total of 36 CE credits for the full series!

Live Interactive Meeting Mode (in-person):

FCDS is partnering now with four Florida reporting facilities that will graciously host the Monthly NAACCR Cancer Surveillance Webinar Series at their locations. Our website will feature a registration page where attendees can sign up to attend at their preferred location https://miami.zoom.us/webinar/register/WN_-nnxlrpsTK6iTY7-jtwzqg. Please see the locations below. This incentive allows Registrars to earn in-person CE credits (CEIP) if they physically attend any of these sites broadcasting the webinars. There must be at least five participants gathering in person at each event. NCRA has approved CEIP credits. **YOU MUST REGISTER FOR EACH WEBINAR SEPARATELY**.

*FCDS and NAACCR have an established agreement that any Florida FLccSC User MUST have *at least* one 'Active' User Permission or User Access Role in at least one Florida facility in IDEA to view NAACCR Webinar recordings. All other recordings are available to any user with or without an FCDS IDEA User Role. User Roles must be updated every 6 months. FCDS recently introduced automation of access permissions that will check your individual access permission status every time you log into FLccSC regardless of how you access FLccSC (via IDEA or web). If you do not have current access to at least one facility you will not be given permission to access the NAACCR Recordings. The recordings will not even show up on your FLccSC Available Courses Menu.
