## How will you comply with the changes to disease and condition reporting in **Florida?**

*Dear Colleague:*

The Department of Health is pleased to announce the completion of an extensive rewrite of **Chapter 64D-3, Florida Administrative Code (F.A.C.), which governs disease reporting. These changes affect you. Report notifiable diseases or conditions to your local county health department.**

To find the updated guidelines for reporting and other important disease reporting documents, log onto:
