FCDS is Florida Statewide Cancer Registry. In 1978, the Florida Department of Health contracted with the Sylvester Comprehensive Cancer Center (SCCC) at the University of Miami School of Medicine to design and implement the registry. FCDS has been collecting incidence data since 1981.

In October 1994, the Florida Cancer Data System became part of the National Program of Cancer Registries (NPCR) administered by the Centers for Disease Control (CDC). Through this program the CDC provides funding for states, such as Florida, to enhance their existing registry to meet national standards for completeness, timeliness and data quality set forth by the North American Association of Central Registries (NAACCR), the American College of Surgeons, Commission on Cancer (ACoS/CoC) and the Surveillance, Epidemiology and End Results (SEER) reporting program of the National Cancer Institute (NCI). Florida has the highest crude incidence rate of cancer in the nation with a 17,500,000 population residing in 67 counties.

Welcome to the Florida Cancer Data System (FCDS) website!

Two hundred twenty eight hospitals report over 165,000 cases annually, which when unduplicated, translate into approximately 115,000 newly diagnosed cases per year. At this time, the FCDS database contains over 2,700,000 cancer incidence records. FCDS also maintains a cancer mortality file based on data provided from the State of Florida Bureau of Vital Statistics. The mortality data are linked with the incidence data and provide hospital based cancer programs, researchers and other professionals access to "passive" follow up data.

Education/Training

The screenshot shows the FCDS website interface. At the top, the logo for FCDS (Florida Statewide Cancer Registry) is displayed alongside the Florida Health logo. The main navigation bar includes links for Education and Training, Statistics, Laws and Rules, and Staff Contacts. The current page is titled 'HOME > Educational Training'. A sidebar on the left lists various resources such as Home, Publications, Path Labs, Radiation Therapy, Downloads, Links, Data Requests, F.A.Q, Awards, and Technical Resources. The main content area features a large blue header for 'Education & Training' with a line graph. Below this, there are tabs for Teleconferences, Annual Conference, Web Training, Educational Resources, and NAACCR Webinar. The 'Learning Management System' section highlights two options: Moodle and FCDS IDEA. A red arrow points from the 'FCDS LMS' text to the Moodle link, and a blue arrow points from the 'FCDS IDEA' text to the FCDS IDEA link. A date stamp 'January, 8, 2013' is visible above a list of files for the FCDS Automated User Account and On-Line Learning Management System.

The screenshot shows the FCDS IDEA web application interface. The browser title is "IDEA *FCDS* - Internet Explorer" and the address bar shows the URL "https://fcds.med.miami.edu/scripts/fcdswebapp/production/Main.html?nocache=true". The user name "STEVEN PEACE" is displayed in the top left. The page header includes "FCDS IDEA" and "Florida Cancer Data System" with a timestamp of "01/17/2014 10:51". A navigation menu at the top contains items such as "IDEA User", "Full Abstract Processing", "File Uploads/Entry", "Inquiry", "Follow Back", "Reports/Inquiries", "Physician", "Quality Control", "Statistics", "Education / FCDS Tools", "IDEA Admin", "Non-Hosp Follow Back", and "Tools". A dropdown menu is open under "Education / FCDS Tools", listing "Bibliography", "IDEA Access", "Primary Payer", and "Learning Management System". A red arrow points from the text "FCDS LMS" to the "Learning Management System" menu item. The background of the page features a close-up image of a blue and yellow macaw parrot. The FCDS logo and "Florida Cancer Data System" text are overlaid on the parrot image, along with the subtitle "A Joint Project of the Sylvester Comprehensive Cancer Center and the Florida Department of Health".

FCDS IDEA User Accounts - FAQ

6

Frequently Asked Questions (FAQs)

FCDS IDEA User Accounts

1.) Do I need an FCDS IDEA User Account?

Yes, anyone accessing IDEA will need an FCDS IDEA User Account.

2.) How do I create an FCDS IDEA user account?

Please follow the instructions as listed below:

- a. Access the FCDS homepage at <http://fcds.med.miami.edu>
- b. Click on the **FCDS IDEA** tab
- c. Click 'Create new FCDS IDEA account'
- d. The 'User Type Identification Screen' appears
- e. Select user role appropriate for your user account
- f. Click Continue
- g. The 'Create FCDS User Account' screen appears
 - a. Create a password
 - b. Re-enter the password to verify
 - c. Enter your email address
 - i. **Email address is required to receive your user information**
 - d. Re-enter your email address to verify
 - e. Select security question and answer
 - f. Complete demographic information
 - i. Name
 - ii. Complete mailing address
 - iii. Phone number/ Fax/ Alternate number
 - g. Verify your entries before clicking submit.
 - i. Once you click **Submit** an e-mail is generated and sent to your e-mail address.
 - ii. This email includes your assigned **User ID** and activation information.

FCDS LMS Courses

7

- Course 1 - FCDS Online Abstracting Basics Course
- Course 2 – FCDS Abstractor Code Exam
- Course 3 – FCDS Abstractor Code Annual Renewal Exam
- Integration with other FCDS Tools
- Other Courses Available
- Future Development

2013 LMS Use – Course 1

8

FCDS Online Abstracting Basics Course

185	Registered
98	Took at Least 1 Quiz
33	Completed Entire Course
95%	Average Score All Quizzes

Note: Users must take the Course 1 module at a time and must pass a Quiz to move on to the next module

2013 LMS Use – Course 2

9

FCDS Abstractor Code Exam

166	Registered
156	Took Exam at Least Once (Passed)
10	Took Exam More Than Once (Fail)
83.3%	Average Score (80% = Pass)

2013 LMS Use – Course 3

10

FCDS Abstractor Code Annual Renewal Exam

456	Registered
-0-	Registered – Did Not Take Exam
456	Took Exam at Least Once
97	Took Exam More Than Once
87.5%	Average Score (80% = Pass)

2014 Updates – Exam Q&A Version 2
